

# Dancer's Agreement

## Hip Hop TransFuzion

As a member of Hip Hop TransFuzion, I agree to maintain my highest standard of discipline, to respect my fellow dancers, and to continually be a public representative of HHTF, as well as TranscenDance Studios.

I understand that my attitude toward dance and toward other people is very visible, and that many other dancers will be looking up to me. For this reason, I agree to be a role model for them, by regularly attending classes and rehearsals, practicing consistently, and keeping a positive attitude at all times. I agree to be respectful in my actions toward everyone with whom I come in contact.

I will not use drugs or alcohol (including cigarettes). I understand that if I break this rule in any way, my membership in the company will be reviewed by the Director and my parents, and I may be asked to resign from HHTF.

I am dedicated to performing with the company for all events, unless a major scheduling conflict occurs and an agreement is reached with the Director. In the case that I should have a scheduling conflict, I agree to notify the Director as soon as possible in order to be fair to the other dancers which whom I work.

HHTF is dedicated to preserving the history of hip hop dance, promoting and presenting hip hop to the public eye, and further innovation of the art form to carry us into a new generation through leadership and educational opportunities. I understand that HHTF is not an extracurricular activity, and that my dedication to these goals, as well as my personal growth as a dancer, is evidenced by my attendance and participation in HHTF rehearsals and performances. If at any time I find I cannot remain dedicated to these goals, I agree to resign and make my position available to one of the many dancers desiring to become a member.

I also agree to actively participate in fund raising activities as well as one master class event a season.

# Parent's Agreement

## Hip Hop TransFuzion

I understand that if my child is accepted as a member in Hip Hop TransFuzion, it will be a serious time commitment for him or her. I agree to communicate any vacations and absences to the Director as much in advance as possible. I will encourage my child to maintain attendance at his/her regular dance classes, to regularly attend rehearsals and HHTF functions, and to practice outside of her or her time at the dance studio.

In the event a conflict should arise regarding my child's school work, behavior, etc., I understand that arrangements can be made for my child to take a temporary leave of absence from the company in order to alleviate the problem. I understand that leaves of absence are typically granted only in cases of dire need.

I understand the class and rehearsal requirements, as well as the attendance policy, as presented in the audition brochure or booklet. I understand that there will be supplemental costs for costumes, travel, and weekly rehearsals, which I agree to pay in full or installments over the course of the season. If finances become an issue, I understand it is my responsibility to make special arrangements with the Director.

HHTF is dedicated to preserving the history of hip hop dance, promoting and presenting hip hop to the public eye, and further innovation of the art form to carry us into a new generation through leadership and educational opportunities. I understand that HHTF is not an extracurricular activity, and that my child's dedication to these goals, as well as his or her personal growth as a dancer, is evidenced by attendance and participation in HHTF rehearsals and performances. If at any time my child cannot remain dedicated to these goals, I agree to encourage my child to resign and make the position available to one of the many dancers desiring to become a member.

As the parent of a talented young dancer, I agree to encourage him or her to strive toward excellence. I understand that my attitude has a direct impact on her/his desire to dance, self-confidence, and willingness to work. Hip Hop TransFuzion is a place for my child to grow in self-discipline, ambition, and in overall knowledge of the dance world.
